---

### About the object:

This residential complex consists of 46 apartments with 2, 3 and 4 bedrooms. It has parking and storage rooms in the same building.

The area offers everything you may need: 300m to the Mediterranean sea and in the pure city center with schools, universities, doctor's, sporting centers, as well as all kinds of services: shops, restaurants, bars, nautical club.

Good transport junction, easy exit to the highway to Barcelona. Near the house you will find several public transport stations, 600m to a train station.

This development offers ideal combination of modernity and quality. It boasts excellent quality materials, a high standard of comfort and it is energy efficient.

The properties will have equipped kitchens, air conditioning, heating and quality glazing which will make your stay there even more comfortable; motorized blinds, built-in wardrobes. All the apartments have large terraces, and some of them offer sea views.

Prices from 209.000 euros. Parking and storage rooms are not included into the price.
